

The Next Big Thing!

Introducing Embellish™ by RNK Distributing and Hope Yoder!

First Lady of Crafting Fun and Embellishing Hope Yoder has partnered with RNK's stabilizer innovator Kay Brooks to develop a full line of Embellish™ products. This exciting line includes stabilizers, thread, designs, software, tools, and more! Just like Floriani and Quilters Select brands, Embellish™ is distributed exclusively by RNK.

Coming Soon! Embellish™ Maker Software!

This new embroidery software will help you create, edit, personalize, and embellish embroidery designs. Now everyone can have the creative freedom to automatically convert images to artwork and embroidery designs, then save them in formats like SVG and PES!

In addition to its standard embroidery features, this software also has several key specialty features, including an Auto Chenille Tool and Auto Puff Foam Tool!
