

# Embellish™ Stabilizer Quick Reference

## EMBELLISH™ WATER SOLUBLES:

- **Embellish™ Rinse-Away Clear Topper** – An embossed, non-curling clear film to create an elevated level surface for uniform stitches. Use with any fabric.
- **Embellish™ Rinse-Away Mesh** – Fibrous water soluble stabilizer for free-standing lace, translucent fabrics, linen used with any embroidery design. Rinses away clean and is non caustic. Holds up to 12,000 stitches in a 4" x 4" hoop.
- **Embellish™ Sticky Rinse-Away Mesh** – A pressure sensitive, water soluble stabilizer for hard to hoop items such as handkerchiefs or textured delicate fabrics. Holds up to 12,000 stitches in a 4" x 4" hoop.

## EMBELLISH™ TEARAWAYS:

- **Embellish™ Bold Tearaway** – Substantial heavy tearaway for high stitch count embroideries. Can be floated under the Embellish™ Fusible Bold Tearaway to support more stitches on dense embroideries. Holds up to 12,000 stitches in a 4" x 4" hoop.
- **Embellish™ Fusible Bold Tearaway** – A tightly woven, heavy duty fusible tearaway for dense embroidery designs on woven fabrics. Holds up to 12,000 stitches in a 4" x 4" hoop.
- **Embellish™ Dissolvable Tearaway** – A 50% dissolvable tearaway stabilizer ideal for delicate embroideries and can be floated under the fusible or sticky version to support more stitches. Holds up to 10,000 stitches in a 4" x 4" hoop.
- **Embellish™ Fusible Dissolvable Tearaway** – A 50% dissolvable fusible tearaway for quilting cottons and linen made from elongated fibers. Holds up to 10,000 stitches in a 4" x 4" hoop.
- **Embellish™ Sticky Tearaway** – A pressure sensitive tearaway with a needle friendly, water-soluble sticky coating. Use for embroidery on hard to hoop items. Holds up to 10,000 stitches in a 4" x 4" hoop.

## EMBELLISH™ CUTAWAYS:

- **Embellish™ Fusible Soft Cutaway** – Fusible sheer non-directional premium woven nylon cutaway for use on knits and stretch fabric. Maintains a soft drape while supporting a higher stitch count design. Green product. Holds up to 10,000 stitches in a 4" x 4" hoop.
- **Embellish™ Soft Cutaway** – A non-fusible version of the above. Commonly used for creating free-standing embroideries used for appliqués or patches. Green product. Holds up to 10,000 stitches in a 4" x 4" hoop.

## EMBELLISH™ SPECIALTY PRODUCTS:

- **Embellish™ Angel Loft Bamboo** – Embroidery batting made from a blend of 50/50 cotton and bamboo. When combined with Embellish™ Soft Cutaway it can hold up to 40,000 stitches in a 5" x 7" hoop.
- **Embellish™ Foolproof Repositionable Webbing** – This NEW permanent-bond repositionable fusible webbing is perfect for no-sew, quilting and embroidery projects. The light pressure sensitive fusible webbing is ideal for machine appliqué and digital cutters. The soft woven base is pliable and our signature adhesive is needle-friendly.
- **Embellish™ Fusible Underlay** – A light fusible fabric preparation to prevent the needle from sheering or fraying the fabric while embellishing. Gives structure to silk, taffeta, satin, Lycra and cotton, prepping it for embroidery while maintaining a soft drape without adding bulk. It is ideal for covering the back of scratchy embroideries to protect the wearer's skin.
- **Embellish™ Fusible Underlay Bold** – A bolder version of the above perfect for use on cotton, denim, linen, silk or rayon velvet and more. Adds support, preventing the needle from shredding the fabric while maintaining the same soft drape during embroidery.
- **Embellish™ Iron-Away Clear Topper** – 3mil embossed clear topping to create an elevated level surface for uniform stitches. Use with any fabric. Perfect for lofty fabric with high nap such as terry towels and more. Controls nap under embroidery after multiple washings.
- **Embellish™ Premium Fusible Batting** – Premium permanent fuse batting that won't show fusible "dimples" through the fabric. Perfect for quilts, table runners, wall hanging, mixed media, purses or quilted garments-resulting in a soft flexible hand.
- **Embellish™ Sticky Printable Template** – This printable sticky product is designed to help align and place designs on quilt blocks, jackets, pockets, ready-to-wear and blanks. The printable sheets are re-positionable and reusable.
